THIS IS WHAT HAPPENS WHEN FRIENDS BECOME LOVERS

"We just met a few months ago and really hit it off," says long and lean Kapri Styles. "She's a really nice girl and I just love her." says sexy and sassy Hypnotiq. When we asked them to do a photo shoot together, they jumped at the chance. When they came to the studio, they were giddy but got down to it when the cameras started rolling.

When they got on set, they got into it right away. Kissing and folding each other's breasts, licking and kissing all over the other's body. It was hard to get them to stop when the photographer yelled cut. As the session progressed, we found that they also liked each other's butts.

After some preliminary licking of the sphincter, Hypnotiq enters Kapri's butt hole with her finger.

Kapri obliges with an index of her own after a long slow slathering of gel to prime the hole.

A full-page photograph of a woman with long, dark, wavy hair, wearing a white bikini bottom and clear high-heeled sandals. She is leaning over a white wooden bench with a wooden top rail, looking back over her shoulder at the camera. The background shows a window with vertical blinds and a white radiator.

ashley licks

Twenty-six year old Ashley hails from New York and like most from there she has an attitude.

An attitude about sex.

"I want my guys to do what I want them to do. When I want to cum, dammit, I'm going to cum."

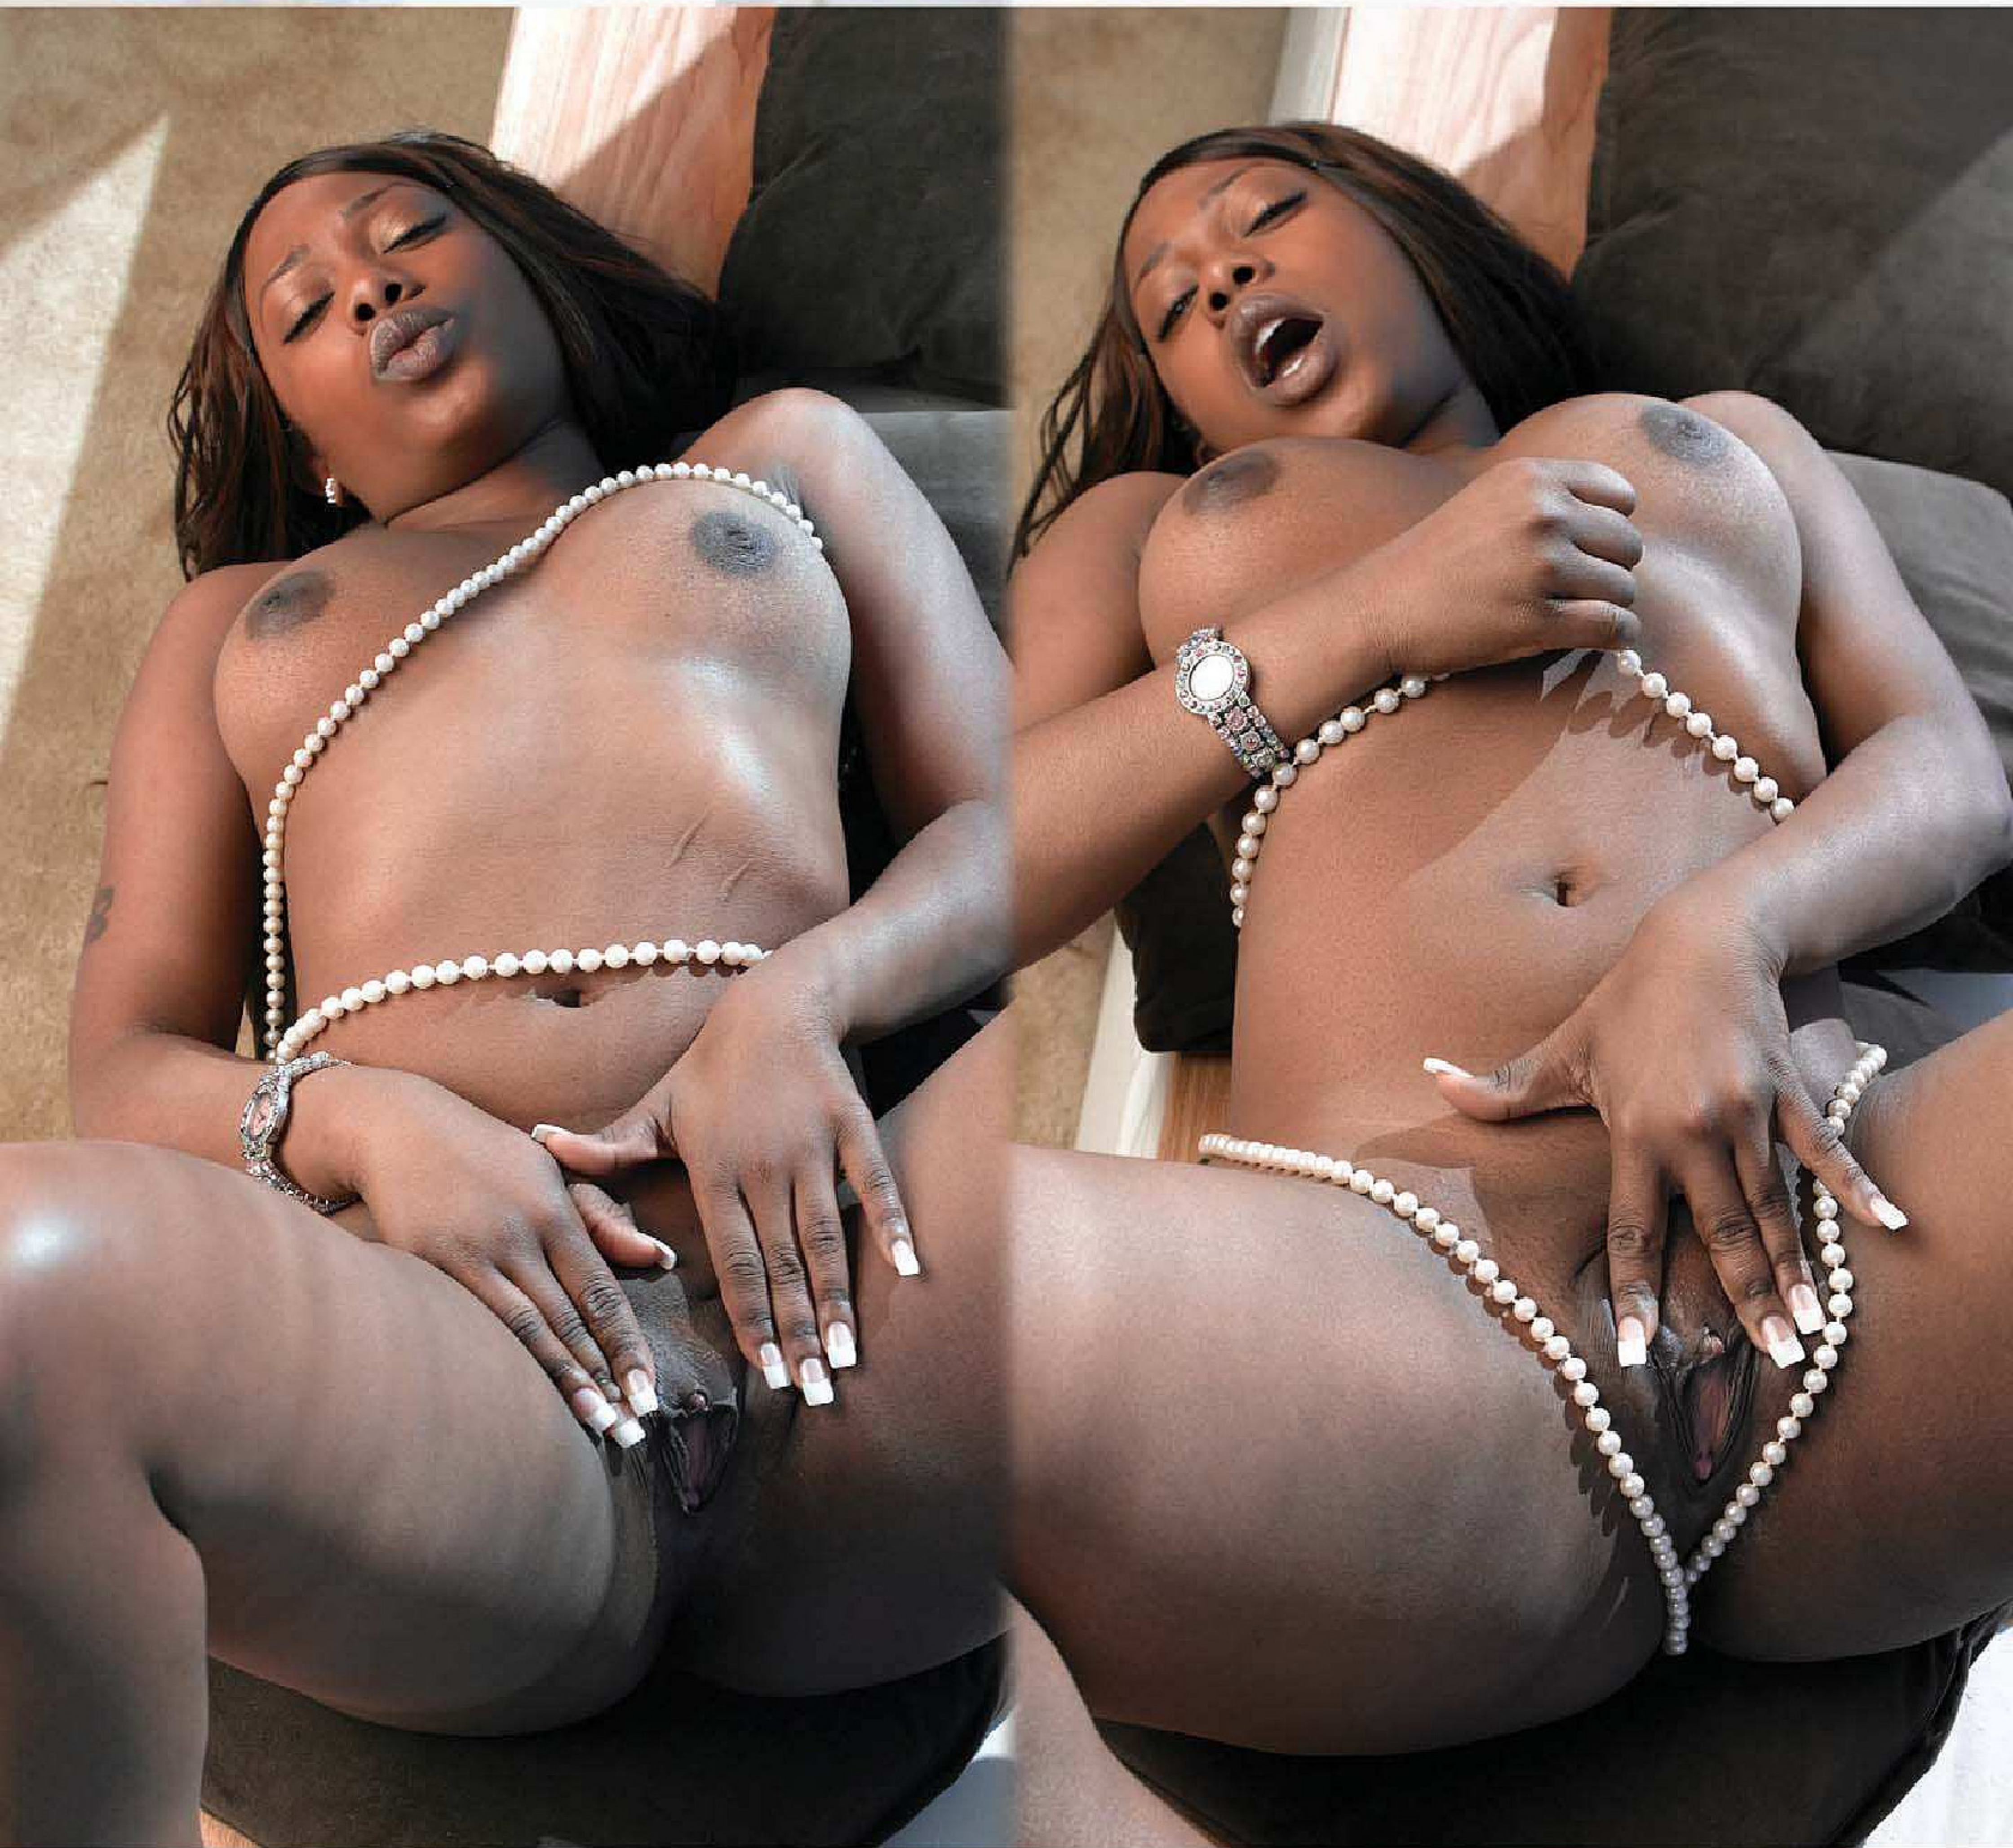

“And when I want them to cum, they will cum because I know what to do. If for some reason they don’t, they get torn out of my little black book. I don’t care if they have a big cock, give me great head, can fuck all night, or can fuck me standing on their head, if they don’t cum when I say, they’re history.”

**“You could say that makes me a bitch, I don’t care.
I’ve got pussy and that means guys will do what I want because of it.
All chicks have pussy, but mine comes with an attitude.
All chicks have a mouth, but I know when and how to use mine.
All chicks have an ass but I know what to do with it.**

A woman with blonde hair is reclining on a plush, red patterned sofa. She is wearing black lace lingerie, black fishnet gloves, and black high-heeled sandals. She is looking towards the camera. The sofa has a yellow blanket draped over it and a white patterned pillow. In the background, there is a table with a gold cloth and a lamp.

Dr. Sabrina returns with more words for you

Dr. Sabrina,

I'm writing to say how much I appreciate your column and the advice you give out. You're one of the few women who seems to take a look from the man's perspective. That said, I want to get your advice on a little problem that I have and hope that you can help me from it becoming a bigger one (pardon the pun).

I have a breast obsession. Not that I think it's a bad thing, but my wife does. She thinks I have such a problem with it that she is threatening to divorce me after thirty-five years of marriage. A little background... Admittedly, I do love breasts. My wife's were nice at one time, but the years and kids have taken their toll on them, and although I have never told her, they just are not attractive to me anymore. So I seek better ones. Not all kinds, but big ones. They do not have to be the size of basketballs, but if they fill a D cup, my eyes are taking them in. While it is difficult for me to get a glimpse of them completely naked (I stopped buying the big-titty mags a long time ago), I cannot look away when I'm out and juicy big ones are within my gaze. And that's where the problem is.

For example, we were out at dinner with another couple at a nice restaurant for my wife's girlfriend's birthday. The waitress happened to have large breasts straining hard inside her white button-front blouse. When she first came over to our table to take the drink order, she squatted down as is the custom at this restaurant. Well, that put her cleavage at table level and in perfect view for me. Her blouse had the top three buttons undone and ample cleavage was showing. Her breasts were natural because every time she moved,

they would jiggle or strain inside her bra and I couldn't help but observe it. The others had given their drink order and when it was my turn, my wife (and maybe the others) caught me staring at her chest and I stumbled over my order. The waitress did not seem phased and got up to leave the table. Unfortunately, my wife was, and she let me know.

I was embarrassed that I was caught - again. My wife catches me all the time staring at a stacked woman's chest. But I think her embarrassment at me was

too much this time. She did stay civil through the dinner that evening, but when we got home, she really let me have it. "How could I do such a thing? I ruined the birthday dinner. She was so humiliated." And on and on. We argued until two in the morning and I had to sleep on the sofa. In the morning she said she did not sleep at all and couldn't deal with my breast obsession anymore. Well, it just got uglier after that so I tried to collect my thought before writing you this letter. I do not want to lose her at this point in our lives, and while I would like to see nice big breasts, I guess I'm willing to try to "fix" my problem but have no idea where to start.

— Harrison G., St. Louis

Dear Harrison,

Your problem is not uncommon. When the subject of wandering male eyes comes up with my lady friends, there are a wide range of opinions. Some do not care at all and just dismiss it. Some find it a bit of a compliment when it happens to them, especially when they dress provocatively. Others, like your wife, seem put off by your actions, but be sure to search your relationship for deeper issues than staring. We women learn from an early age that breasts have a great appeal to men and we do a lot to promote them just so you will notice them.

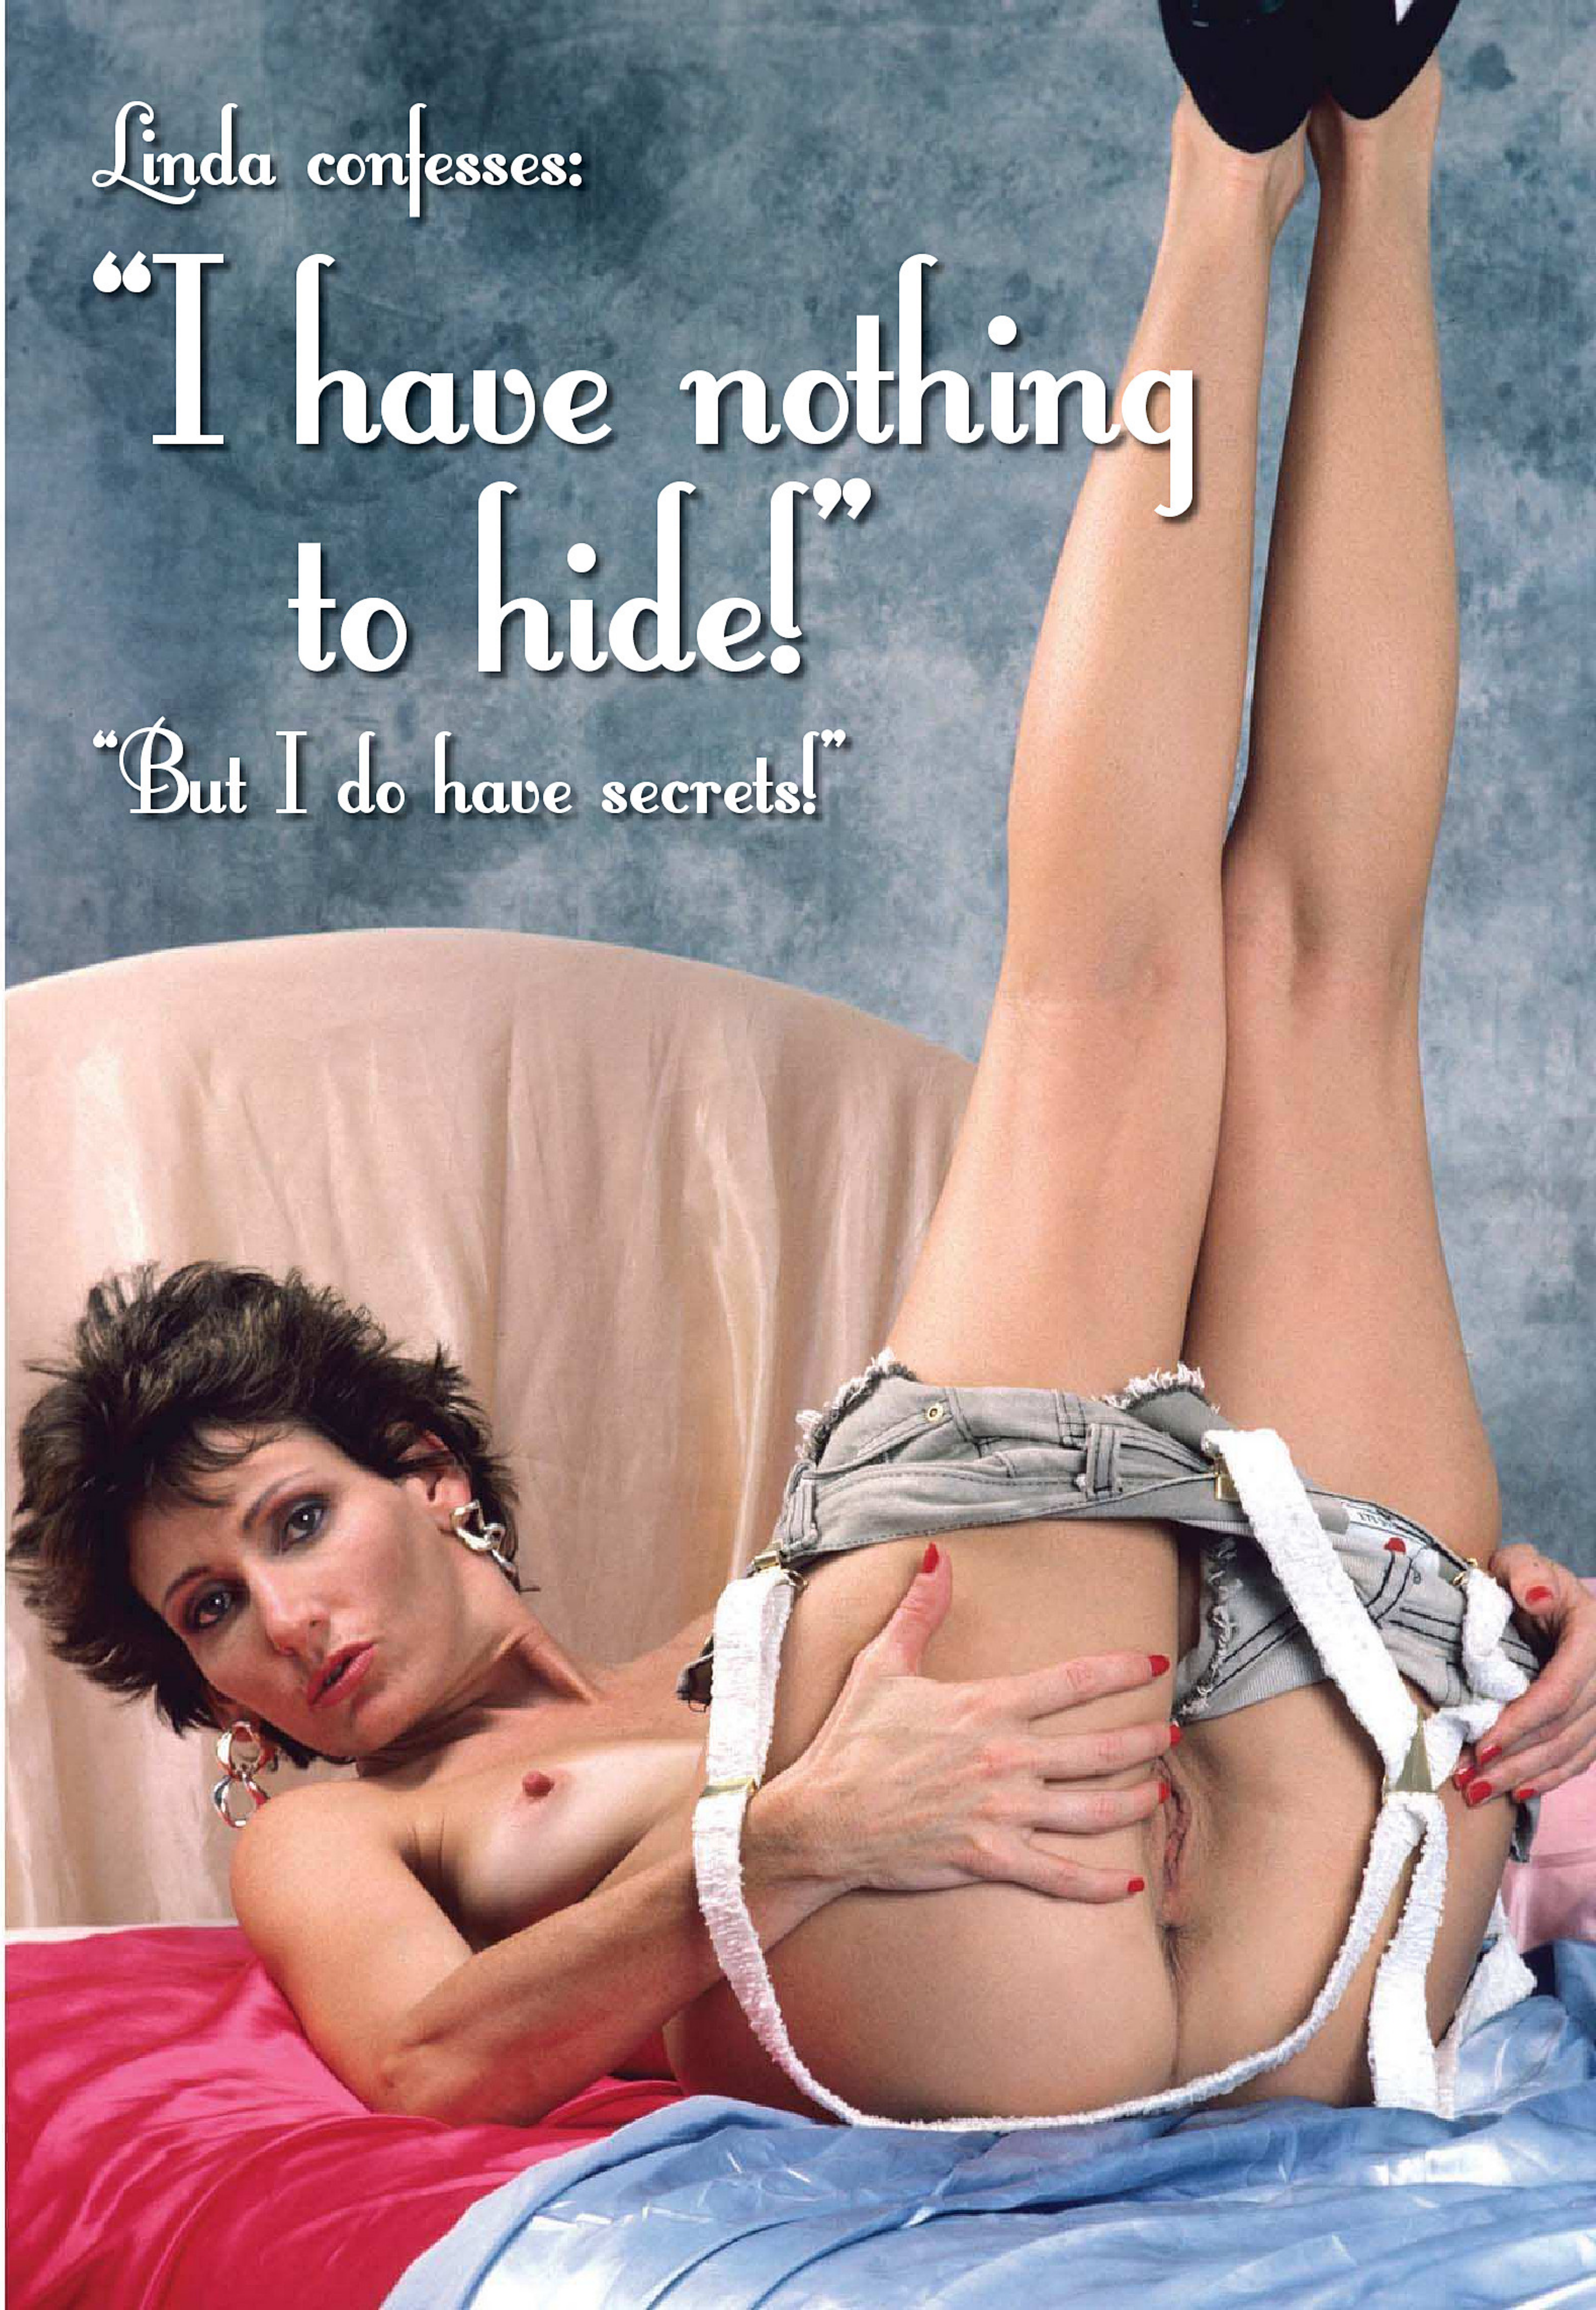

I don't know that there's an effective course of action I can prescribe that will keep your marriage together, besides the obvious. And that is to talk to your wife about it. Tell her that you love her and you're sorry for the embarrassment it causes her. That you'll try to stop, but you may need to seek professional help, or even try a hypnotist. If you don't or those courses of action do not work, then by all means, try not to get caught!

DILDO ENVY

To the editor,

I have a bone to pick with you. In the last issue (50+ #27) Victoria touts loving the dildo, but I just want to tell you that nothing beats the penis. And no penis beats my penis. I can't believe this lady says how good the dildo feels without comparing it to the real thing. I've been with ladies who have done me and a dildo in the same session and I ask them which is better. They ALWAYS say it's my penis. If Victoria thinks the dildo is better, then I say let her do me and I'll show her. She'll be lucky to come out of a penis-crazed coma. I know I can do things any dildo can't, including shooting the biggest load she'll ever see when I'm done. Oh yeah, dildos can come in pretty colors to match their underwear or the sheets, but it's really all about performance and nothing beats the male sausage. If she is ready to try a real man, just let me know. After one session with me, she'll be retiring her dildos forever.

— Rex, Brooklyn

Dear Rex, you surely are king of the bedroom. But Victoria did not say the dildo replaces a real cock, She merely commented that she likes the feel of them and (we assume) the fact that she can control how it is used and how it feels inside her. Don't take her comments personally. We know men love their penises but it sounds like you like yours perhaps a bit too much. Nonetheless, relax and buy your penis a drink. It sounds like it deserves it — Ed.

A COUPLE OF REAL SWINGERS

Dear 50+,

Last week I was golfing at the local country club with my friend Roland. After we

finished the 18 holes, we were in the clubhouse and Rolly pulled out an issue of 50+.. I never knew a magazine like this existed. I sat in a corner of the locker room and looked through it as Rolly showered. We are both single, (I'm divorced and he's a

widower) in our sixties, well kept and into younger women. I usually date women in their thirties and Rolly likes twenty year olds. But when I saw some of the women in these pages, I was blown away. They were, for the most part, gorgeous. I think I have to re-think my dating habits and try to find they type of women in your book. I have to admit that it's often hard to talk to them because of our age difference. Rolly says he has given up trying to talk to twenty year-olds and just likes them for the sex and eye candy. So, thanks to you, I may reform my ways, look for a sexy sexagenarian ad have a more fulfilling life. Maybe even look for one to marry. I'll let you know what happens.

Samuel, Phoenix

Dear Sam, we can't wait to hear. —Ed.

GORGEOUS GRANNY

Dear 50+,

Your cover lady, Gabrielle is a real stunner (50+ #27). I cannot believe she is fifty and a grandmother. My grandmother never looked like that – she was an older version of Rosie the Riveter – and my kids' grandmother doesn't look like that. I love her slim body and great legs. Her blonde hair contrasts nicely with her great skin tone. I bought the magazine when I saw her on the cover because I had to see more of her AND I WAS NOT DISAPPOINTED. She is one fine filly and I would ride her any day of the week and twice on Sunday. I know I probably will never meet her, but please pass along my compliments to a foxy lady.

MY COLLEGE ROOMIE

Dear Editor,

About nine months ago, I was in the hospital for some blood tests and other tests my doctor wanted done. After the nurse drew my blood, I settled into my semi-private room awaiting more testers to stick and probe me. In the other bed was, what looked like, a college-age kid. We said hello to each other and he told me he had broken his leg playing football. He seemed a little sad so I told him my story about my football injury in college in the seventies. I twisted my story a bit to make him laugh and brighten his spirit. He did. We hit it off and talked for the next two hours I hope he forgot about his injury for a while. As we were talking, a nurse came in and told me it was time to get me ready for more tests, so she had me roll over and gave me a shot in the butt. I ended up facing my roomie and made faces and weird noises as the nurse did her thing. We both laughed as I rubbed

my butt and the nurse left. Shortly thereafter, his girlfriend came into the room. She got a call from one of his friends and rushed over to the hospital to see him. He told her he was okay and we were having a great time talking, telling stories and laughing. She thanked me for "taking care" of him and said no problem." I pulled the curtain dividing us so the two could have privacy. I laid back to await my next probing as they talked and laughed. After a short while, I noticed it got a little quiet. Then soft moaning noises began to eliminate from the other side of the curtain. I hear a little mumbling and then he pulled the curtain back to show me his girlfriend giving him a hummer. He smiled at me and I gave him a big thumbs up. She apparently did not seem to mind and made eye contact with me as she went down on his hard cock. I watched as her head bobbed up and down and her tongue licked the head and shaft. She tried to keep the sucking and gagging sounds down but in vain. We all heard footsteps coming down the hallway and she quickly pulled the covers over his cock. We all pretended to be normal as a male nurse stuck his head in the door and told me he'd be back in twenty minutes to take me to my next test. I said thanks. My roomie's girlfriend came over to my bed and asked what I was in for. We all laughed as I told her I was there looking for a nurse to take home with me. She looked back at her boyfriend and then sat on the edge of my bed. She slipped her hand under my blanket and then under my gown and found my dying erection. She grabbed my cock as I looked at roomie and he gave me a big thumbs up. She said since I only had twenty minutes I should be more sedated. I laughed as she squeezed my now-hardening cock and began to stroke me under the covers. She looked me in the eyes and I looked back with a thankful, glossy gaze that defined my below-the-belt sensations. She deftly moved her hand up and

down with an occasional grab of my balls. A couple of times she turned to her boyfriend and they talked about college stuff that was only a mumble to me. She kept at it for another five minutes and I told her I was about to come. She told me to go ahead and she squeezed and pumped my rock hard cock until I came. I let the fabric absorb the cum and she wiped her and on the sheets after she finished. I looked at her and mouthed "Thank you!" and she winked back at me. I looked at my roomie and he gave me another thumbs up. Girlfriend went back to his bed just as the male nurse returned. He came over and pulled my bed away from its station. I asked what kind of test he was taking me to and he said that he needed a semen sample. My roomie and his girlfriend burst out laughing as I was wheeled out of the room. As I was pushed down the hallway, I could still hear them laughing. Needless to say, it took me quite a while to give up the sample they needed. I assume they'll find a low sperm count. Here's to my roomie, his girlfriend and college.

THREE'S COMPANY, TOO

To the editors at 50+,

I'm sitting out on my veranda with my wife of forty years reminiscing over some of our past sexy escapades. She encouraged me to write after I told her this one. It's okay, because it is not about her.

One night my girlfriend invited me to join her and her best friend for a night of smoking that "wacky tabacky" that was all the rage in the sixties. It was quite a "trip" at the park but as it started getting dark we started to freak out a little. We headed back to my girlfriend's house to crash. The smoke had made me quite horny and after saying good night to her best friend and my

girlfriend's little sister who was home from college on spring break, we headed to her bedroom. She told me that the smoke had made her horny too and started giggling as we both stripped and got into bed.

She immediately grabbed my cock and I started rubbing her clit. I was up at attention as she threw the bedclothes off and jumped up so we could go. I was on the bottom and licking her real furiously. She was on top doing all these fancy moves with her tongue and sucking me deep. After a few minutes of this she said her head was really spinning and that she had to stop. Getting off of me, she fell onto the floor and kinda looked passed out. I was still really horny and had this raging hard on I didn't know what to do with. So I got up and headed to the kitchen to get a drink. Passing her best friend's bedroom door I heard some moaning sounds coming from her best friend's room. I opened the door slightly and saw playing with herself on the bed. After watching for a while, I opened the door a little more and then she noticed me. The lights were low and she stood up to beckon me in and to show me her gorgeous, naked body.

I was standing there naked too, with my hand on my hard on as she walked over and grabbed my cock, got down on her knees and took all of me in her mouth. Her head moved back and forth as I watched the top of it from where I stood. The buzz and her mouth were making me dizzy with desire. I grabbed her shoulders and made her stand up. I dropped to my knees and pushed her back on the bed. She obligingly opened her legs and I parted her long silky hair and began to lick her. The pungent smell of her vagina overwhelmed me and I dropped lower on my knees to get away from it. I quickly stood up and announced that I had to use the restroom and quickly exited her room. I gathered myself as I stood in the

hallway naked and still with this hard on that would not go away or get satisfied.

I finally stumbled into the kitchen and grabbed a soda from the fridge. I drank most of it, left it on the kitchen table and headed back to my girlfriend's room. I must have missed the correct door because unknowingly I ended up in her sister's room. She was asleep and I got into bed. The feel of my body must have woken her because after a few minutes of laying there she woke up.

She went down on me and that was it. She was unbelievable. She sucked me and licked me like there was no tomorrow. I pushed her head down hard as I finally exploded my frustration into her mouth. In the dark I heard her swallow it and roll over to go back to sleep.

Fortunately I was the first to awaken and notice I was in the wrong room. I snuck back to my girlfriend's bed. I didn't know what the rest of the morning would bring, but everyone kept their mouth shut. Now that was night I could never forget. I just hope I didn't just dream it!

ROXY RULES!

Where in God's earth did you find Roxy? She is the cutest thing ever. What a great butt on that babe, and she's got the cutest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover.

the inside photos were just right. it's nice to see a cute girl like her not shoving dildos in her pussy. She showed me just enough to want more. Are we going to get more of Roxy? And when?

– Sammy, Cleveland

Hey Sammy, we show 'em as we get 'em. But seriously, Roxy is a real cutie. She was just as much fun to work with as the photos show. We are in the process of getting another pictorial on her, but you'll have to wait until 2010 as we all will.

– Ed

ROXY REDUX

I think I went to school with Roxy Reynolds. I

remember that cute toothy smile but her butt didn't seem that big and nice back then. How can I find out if she was my class-mate? My bro says it ain't her, but I think it is. She was about 5' 7" and had small boobs and a short hairdo. But she could have grown into her chest and let her hair go. I'm looking at the yearbook now as I write you and I'm convinced it's her.

– Wesley, Brooklyn

Wesley, you know we can't tell you where she went to school, dude. What we can tell you is that she graduated at the top of her class, went on to a prestigious Eastern university, was given a Rhodes scholarship, modeled in Paris and Milan and plans to run for President in 2020. Hope that helps.

– Ed

ON TOP OF ESCALADE

Since you want to hear from guys like me, let me tell you what I did, man. I got this big black Escalade with some smashin rims on the outside and a smashin sound system on the inside, I dropped another 10G just for the sounds. Why? Because this is the type of shit that gets me the honeyz. All I have to do is cruise and they jump on in and cut loose.

So I'm leavin the club past midnite with these two smokin babes I just picked up. We be cruisin down Wilshire with the moon-roof open and one chick

sittin up on the roof with her legs danglin down. The other shortie starts to eat her out. I'm drivin tryin to keep in the lane as the two crazies are goin at it. The one on top leans back and lays down sayin how cool the streetlights look while the other is stickin fingers in that sweet cootchie. The shortie in the car is dropping her panties as she licks the other one and takes my right hand and puts it on her ass. As I squeeze her cheeks I almost drive into a parked car. Not wanting to fuck up my ride, I pull over around Wiltern and park it. The girls were so into it they didn't even know I stopped.

my huge dick. She starts to lick and gulp it down as I'm doing the roofie. Man she was good. I started fucking her mouth and she was taking every inch of it. Her head was pinned against the back of the seat as I was shoving my dick into it. I tell the chick on the roof to roll over so I can tongue fuck her asshole. She does that and with her legs dangling in the car I spread them and jam my long tongue into her butt crack until I find her butt hole. I'm massagin her butt as my tongue fucks her hole. I shove my thumb into her soaking cunt and give her a good

Now I can squeeze the bitch's ass without crashin. I move the seat back so I got room to maneuver and take both those cheeks in my hands. I squeeze em and she opens her legs up some more, still lickin the bitch on the roof. I push the inside chick off the roof bitch and start to lickin her myself. The inside bitch is unzipping me and takes out

finger-fuckin while inside girl is licking my balls. She's pulling my cock to get at them and sucks em like a Hoover. By now the roofie is screaming as she cums and I'm about to blow my load. She gaggin on my rod as I'm cummin and tries to pull it out. I hold the back of her head so she swallows cause I'm not gettin the seats messy.

My girlfriend came over the other day and here's what we did. She can really be off the hook!

→ The phone rang the other day and it was my girlfriend LaDonna. It was a sunny day and I was outside in the yard. LaDonna said she wanted to come over and I said sure. LaDonna and I are like sisters. We've known each other for more than twenty years; having gone through grade school and high school together. We dated some of the same boys and even fucked some of the same girls.

After about an hour she made it over and came out to the backyard – naked! I shouted that we were outside, but she said the fence was high enough that no one could see her. She was lighter skinned and had a rockin' body with long legs and a big butt. The pants she wore always accentuated it and she liked the attention it gave her. She spread a large towel on the ground next to my chair and laid down on her belly. Her lovely ass was bubbling up as she was taking in the sunshine.

About fifteen minutes later she sat up and asked why I was still wearing my swimsuit. Without a moment's hesitation, she got up over me and used her mouth to grab my thong and began to pull it down. She got it down to my knees and came back up with her tongue seeking my clit as I opened my legs to let her in. This wasn't the first time we got it on. We've been lovin' it up ever since we got out of high school and found out each other liked girls. We don't do it that often, but when we do, it's great.

LaDonna sure knows how to suck my pussy, I'll give her that. She ran her tongue all over my pussy mound, finding the slit every now and then and slipping her tongue down to tease my clit. I reached down and pulled my thong completely off and opened my legs wider for her. She opened my pussy lips and dove right into my hole with her fingers. The more I

squirmed, the harder she fingered me. Her tongue joined her hands and she licked all over my pink silky insides telling me how sweet I smelled and how great I tasted. Within minutes I was done and cumming all over her face.

She took my hands and pulled me down to the towel. She laid on her belly and got up on her knees exposing her beautiful bronze booty to the elements and me. I kneeled down behind her and spread open her cheeks. I could see her pretty little anus and smooth-shaven pussy lips. I started with her tight butt hole, licking all around it until I felt it relax and then I

stuck my tongue in and swirled to some more. Apparently she was expecting this because she tasted nice and creamy. I smelled her jasmine lotion and it turned me on some more. I slapped her cheeks as I tongued and fingered her butt hole.

I laid on my back under her pussy and pulled her hips down to my mouth. I opened her pussy lips and began to lick her clit like it was an all day sucker. I grabbed her clit with my lips and gently pulled it and then let go. She squirmed with pleasure and when I wasn't doing enough of it, she forced her pelvis harder down on me as if to say, suck it harder, bitch. I, of course, obliged.

→ LaDonna turned on her knees and pivoted around so we were sixty-nining. Her face was now buried in my pussy and her hands were cupped underneath my butt searching for my butt hole. She found it and quickly inserted a finger inside. I arched up at the sweet penetration and she went in deeper. I was furiously licking her clit and running my wet fingers up and down her silky crack, pausing every so often to stick one into her ass. Each time she gave out a faint moan and I would stick in another.

By now we were furiously finger-fucking each other. Mouths on clits, fingers in the ass. Each doing their part to bring us to climax together. Being on the bottom I arched up as I came and she pushed down on my face as she came. But this time she came with little surprise for me. She squirted!!! She had never done that before and it was HOT! I was so turned on by it I came again without her even touching me. Just the warm musky girl-jizz streaming down my face. After we finished, I asked her how she did that and she said she would show me. I'll let you know next time if I too learned how to squirt!

→ ...she pushed down on my face as she came. But this time there was a little surprise for me. She squirted!!! She had never done that before and it was HOT!

I LOVE DIRTY MOVIES

Hi, my name is Aimee and I love to watch porn. Yes, I admit it. I love dirty movies. I like everything about them. The acting, the story lines, but especially, I like watching the sex in them. It really turns me on and makes me horny. Some of the best sex I've had has been with a dirty movie playing in the background.

I'm a visual person and the sight of naked flesh on naked flesh makes me hot. Many a time I would have my partner do the things to me that we were watching on TV. Now that was hot!

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peak and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJ's, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk. Don't delay. Julie, P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legs, and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first. Maria, Houston, TX

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so f**king hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to f** them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth. Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had sex with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Bay Ridge, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female boss (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear. Clive, Chicago, IL.
